---

With reference to your memo No.8840 dated 21-4-13 together with a copy of Government Proceedings regarding the examination of the Jatka ponies in Bangalore city, I have the honor to state that I discussed the subject with the Hackney carriage Inspector and Municipal Veterinary Inspector From their Registers and the way they examined a few horses at the Bangalore Veterinary Hospital, I found them to be very unsatisfactory, country breed horses were passed for walers, Bays for chestnuts and so on and that their idea of soundness was anything but satisfactory I further beg to state that I have carefully studied the Hackney carriage rules in force in the city and C & M Station and find that no alterations are necessary To remove the existing abuses regarding the grant of certificates of soundness etc , I beg to suggest that the following classes be added with advantage -

I. That all Jutka and Hackney carriage owners be directed to bring their ponies and horses on specified days to the Veterinary Hospital where there is sufficient room for examination and that any one failing to bring the ponies on such days be charged an extra fee of Rs 2/-

II. That the ponies be numbered according to the Divisions or Mohalas where the Jutkas are kept and a Register maintained in the following places for ready reference and any change in their residence may at once be reported to the chief Police Station of the Division, who will report the same to the Vice-President and Superintendent of the Civil Veterinary Department

(1) The City Municipal Office

(2) The

3

(2) The chief Police Station of the Division

(3) The Government Veterinary Hospital

III. That all ponies found unfit on account of temporary illness or defect, may again be brought for examination and if found practically fit, the necessary license may be given.

IV. That the Hackney carriage Inspector and Veterinary Inspector be instructed to be present throughout the season of examination so that they may understand the method of examination and to grant licenses whenever necessary.

V. That whenever any pony is lame or has a girth or saddle gale or is in a deblitated condition, such ponies may be sent to the Veterinary Hospital for treatment and observation of the officer of the Civil Veterinary Hospital

VI That the Police officers of the various Divisions be instructed that on a reference made by any Government officer or any respectable private gentleman who takes some interest in the well being of dumb animals the same at once be brought to the notice of the Vice President or the Superintendent, Civil Veterinary Department, who will take notice of such cases
